## Our Vision

Our vision is to develop an iconic feature that is ergonomically designed, innovative and creative and that will be appreciated by the community at large. Education and Community Engagement will be a key objective and will be a focal point in the development of this project.

## Our Strategy

The essential feature of our strategy is aligned to the priorities of the Mission of Minhaj-ul-Quran International:

- Promoting the message of Peace and Harmony through integration and a Inter-cultural dialogue.
- Building bridges between the diverse communities of the district and with residents in the locality.
- Developing mutual partnerships with the local authority and other governmental institutions and community and voluntary sector organisations.
